6. *Update on Retroactive Fingerprinting (California Code of Regulations, Title 16 §1131&1132)*

Traci Napper reported that the Retroactive Fingerprinting Regulations are currently at the Office of Administrative Law for the final review. Ms Napper mentioned that OAL had requested information for clarification on a couple of items and that she provided the information to OAL's satisfaction. In closing Ms. Napper informed the subcommittee that OAL had until May 13, 2011 to make the final decision.

7. *Update on clean-up legislation*

Ms. Napper reported that the Committee accepted the amendments to the Business and Professions Code Sections 1900-1966.6. Staff forwarded the language to both the Department of Consumer Affairs Legislative Policy and Review Division and Senate Business and Professions Committee for inclusion in Department's Omnibus bill.

The language was reviewed by both DCA and Senate Business and Professions Committee consultants. Ms. Napper reported the sections of law that were accepted into the Omnibus bill. Also, the Committee was informed that DHCC still needs to find an author to support the substantive changes requested.

There was no further discussion or public comment.

8. *Proposed regulatory language to implement Business and Professions Code 901 regarding authorization for Out of State licensed practitioners to provide healthcare services at sponsored free health care clinics.*

Ms. Lori Hubble, reported that AB 2699 will exempt from licensure health care practitioner, licensed or certified in good standing in another state(s), that offers or provides volunteer health care services for which they are licensed or certified through a sponsor to provide to uninsured or underinsured persons on a short term volunteer basis.

Ms. Hubble provided draft regulations and forms for the Committee's approval.

It was m/s/c (Hurlbutt/Lee) to accept the proposed regulatory language with amendments and direct staff to take all necessary steps to initiate the formal rulemaking process, authorize the Executive Officer to make any non substantive changes to the rulemaking package and set the proposed regulations for a public hearing.

The Committee voted unanimously to accept the draft language and forms with amendments.

9. *Future Agenda Items*

No future agenda items.

The meeting adjourned at 11:30 a.m.
