LIC 3 – Chairperson's Report

Chair Kelsch reported that she met with the Subject Matter Expert educational group and thanked them for maintaining the examination at a professional level. She stated that the July 2015 clinical examination is being closely monitored, as there are only 4 candidates that have applied to take the exam to date. She indicated that in order to utilize Committee resources efficiently, the Committee may need to review the clinical exam's viability for the future, as the interest in taking the exam has decreased. She referred to Executive Officer Lori Hubble to elaborate on the examination.

Ms. Hubble stated that she has contacted other educational sites to host the July 2015 clinical examination because the current venue, the University of Southern California, would be too costly to host an exam for 4 candidates and would not be an efficient use of Committee resources. She stated that the determination of administering the examination would not be confirmed until after the final filing date which is May 11, 2015.

Chair Kelsch reported that she had the opportunity of visiting an exam administration and from the time she participated as a recorder to what
